

I have a concern about the Low Power FM issues that have been brought to my attention by a radio station that I care very much about KLOVE. This Christian radio station is a blessing in my life as well as thousands of others. What you need to understand is this station helps many people everyday, in all areas of their lives. It is a comfort, a healing, a decent station without all the foul language and lyrics. The teens these days are hearing this station and are making better decisions in their lives. This station needs to stay as it is. Please don't take it off. I need it as well as others. Try listening to it and you will see. I listen to KLOVE on 91.1. Thank you for taking the time to read this.
